Case No.: 2023 CA 138

REQUEST FOR ORAL ARGUMENT

Pursuant to Colorado Appellate Rule 34(a), Plaintiff-Appellants James Aranci, Jack Darnell, Charles Miller, William Lauck, and Curtis Werner request oral argument in this matter.

This case involves important issues arising under multiple Colorado Supreme Court and Colorado Court of Appeals interpretations of the Taxpayer Bill of Rights (“TABOR”), the creation and regulation of water conservancy districts, and whether the “varying budgetary needs” of a water district mean that TABOR’s ratification requirements do not apply. The importance of the issues and complexity of the pertinent case law suggest that oral argument will be helpful to the Court.

Respectfully submitted,
